Team 1 Scrum Report 6
Project: **BPDA | Brazilian Community Census Analysis**
Members: **Simon Lu, Angela Tran, Andrew Tuckman, Carter Vande Moore**

Tasks Completed this Week:

- Presented Early Insights to class and client
- Finished Project Deliverable 2
- Preprocessed and analyzed the following features: employment, marital status, citizenship, and year of entry

Plans for Next Week:

- Continue preprocessing and analyzing data for the rest of the features
- Find correlation between features and showcase the correlation in visualizations
- Complete Project Deliverable 3

Issues:

- No issues.

Client Meetings:

- Last Client Meeting: Friday, November 19, 9AM
- Next Client Meeting: Friday, December 3, 9AM
